**RE: Partial Demolition of Cellar Slabs for Foundation Construction at
270 Park Avenue, Manhattan, NY**

Dear Mr. Ali-Shafin:

MTA Metro-North Railroad (MNR) takes no exceptions to the referenced and attached submittals for the cellar slab demolition plans submitted.

This “takes no exception” letter makes reference to a 15-sheet document titled “*Partial Demolition of Cellar Slabs for Foundation Construction at 270 Park Avenue, Manhattan, NY*” dated 02/27/20 submitted via the Procore platform from Tishman Construction Company, prepared for Tishman Construction Company, and signed and sealed by Professional Engineer, James Scheld, a Professional Engineer licensed in the State of New York. This no exception letter is specific to the work as shown on the attached drawings. All changes to the attached drawings must be submitted to James M. Harrington for approval.

All work must be coordinated with MNR Deputy Director – GCT Special Projects,
James M. Harrington.

Should you have any questions, please contact me at harrington@mnrr.org or 212-499-4416.

Sincerely,

A handwritten signature in black ink, appearing to be 'J. Harrington', written over a horizontal line.

James M. Harrington, R.A.
Deputy Director – GCT Special Projects
MTA Metro-North Railroad
