I'm sorry, I don't know who you are, and I'm not at liberty to share with you anything that may have been shared with me without direct permission. Why do you feel this would help Shane Presnall?

Shane,
Sorry to bother you with this request, but if you could please forward the 9 articles that shane presnall sent you on behalf of Josh Schulte, we would greatly appreciate it. Shane Presnall is under subpoena as they wrongly claim he assisted Josh in violation of a protective order--so we dont want to go to him for this request.

We are family and friends of Josh and are looking to further post these articles and new ones that he has written... the current ones on Facebook are old rough drafts, but we have lost the newest versions that we believe were forwarded to you. Thanks.
