If you need help ask wikileaks for my code. I developed software to print MSFT — NTFS & ext3 partitions so that I —

for a operation

Ugh talked to my parents today & found out that my fucking articles that were uploaded to FB & in fucking black fucking format were the wrong fucking articles. They put up articles 1-7 & only the old ones. I said I was disappointed & my mom got all upset like she does & I spent the entire phone call trying to apologize ...

"New" article plan

1) FBI not the only agency against Trump—CIA too
   a) Leak documents to make Trump look bad
   b) Sell documents to make $$$

2) Political movement

3) Incompetence within CIA, govt agencies

4) If I were Russia, I would—
   a) Attack judiciary
   b) US destroy itself
